

REPUBLIC OF TUNISIA

Ministry of Transport

Directorate General of Civil Aviation

Authorisation

Reference: TN-A /OM-B 02/26

Pursuant to, The Minister of Transport decision n° 154 issued on 17th September 2009 and n°166 (in particular the section 2.6) issued on the 8th of October 2009, the General Director of Civil Aviation hereby authorises:

Aeroplex of Central Europe Ltd.

H,1185 Budapest, Liszt Ferenc International Airport, Hungary

Approved maintenance organisation (ref: HU.145.0001) to provide base maintenance, line maintenance check and release to service for the Tunisian register's aircraft operated by Cargo Wings Express at Budapest - Hungary, subject to the following conditions:

- 1. The present authorization is limited to the scope of work specified in the approved maintenance organisation exposition and in relation with the contract signed between Aeroplex of Central Europe Ltd. and Cargo Wings Express and exclusively at Budapest-Ferenc Liszt International Airport in Hungary.**
- 2. All Maintenance work should be done in accordance with the Part 145 approved maintenance organisation exposition and based on the Manufacturer's Manuals of the Aircraft Type.**
- 3. Aeroplex of Central Europe Ltd. shall report immediately to Tunisian CAA any unsafe condition identified on the Tunisian aircraft during maintenance.**
- 4. Subject to compliance with the foregoing conditions, the present authorisation is valid for three months starting the issue date unless previously superseded, suspended or revoked or until the contract signed between Aeroplex of Central Europe Ltd. and Cargo Wings Express is terminated.**
